# Call for Papers

**Vol. 8 (2012)**

**Computer Science & Engineering Research Journal (CSERJ)**

**ISSN: 1990-4010**

<http://www.cuet.ac.bd/cserj>

Computer Engineering has been the key force behind the recent technological development in the world. The Computer Science and Engineering Research Journal (ISSN: 1990-4010) aims to publish the latest research results, current practices, future trends and interchange ideas with a view to solving and locating different problems in all aspects of Computer Science and Engineering and its related fields. The journal aims to publish original research papers after being properly reviewed by the respective experts. This journal is published every year by the Department of Computer Science and Engineering, **Chittagong University of Engineering and Technology (CUET)**.

**Scope:**

CSERJ seeks papers on all aspects of Computer Science and Engineering. Major areas of interest include, but are not limited to:

Artificial Intelligence and Machine Learning.  
Biomedical Engineering.  
Biometrics and Bioinformatics.  
Computer Vision and Pattern Recognition.  
Computer Graphics and Multimedia.  
Computer Network and Data Communication.  
Cryptography, System and Information Security.  
Database Management System.  
Digital Signal Processing and Image Processing.  
Digital System and Logic Design.  
Distributed and Parallel Processing.  
Data Mining  
E-commerce and E-Governance.  
Fuzzy Logic and Neural Network.  
Graph Theory and Computing.  
Human-Computer Interaction.  
Internet, Web Application and GIS.  
Information System.  
Microprocessor-Based Design.  
Machine Translation and Computational Linguistics.  
Natural Language Processing.  
Optical Computing and Software Engineering.  
Robotics and Mechatronics.  
VLSI Design and Fabrication.  
Wireless, Optical and Mobile Communication.
