International Journal of Applied Pattern Recognition

Title
Special Issue based on ECCE 2017

Guest Editors
Nazmul Siddique, Hui Wang, Ulster University
Moshiul Hoqe, Shamsul Arefin, CUET

Description
This series of Special Issues will be based on ECCE 2017 (http://www.cuet.ac.bd/ecce/). The authors are requested to submit their full revised version of papers to the special issues complying the general scope of the journal. Please see the scope of the journal at http://www.inderscience.com/jhome.php?jcode=ijapr. The submitted papers will undergo peer review process before they can be accepted. Two deadlines are organised for submission and smooth review process and publication of the special issues. The deadlines are as follows: 30 May and 30 July 2017. Notification of acceptance will be communicated as we progress with the review process.

NOTES FOR AUTHORS

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process. All papers must be submitted online. Please read authors' guideline at information on preparing and submitting articles. When entering your submission include a cover letter stating that the paper needs to be considered for the Special Issue ECCE 2017.

The deadlines for submission are: 30 May and 30 July 2017. Individual papers will be peer reviewed and published in allocated issues as they arrive.

We are looking forward to your submission. If you have any question, please contact Nazmul Siddique by email: nh.siddique@ulster.ac.uk
