

PLC Training for Industrial Automation

The Institute of Energy Technology (IET), Chittagong University of Engineering & technology is going to conduct a training course on Programmable Logic Controller (PLC) starting from **Dec 16, 2022*(Extended)**. Candidates who are interested as well as eligible are invited to register in prescribed format. The main aim of this course is to empower the professionals as well as the engineering students with the practical knowledge of industrial automation, and also to combine PLC technology with industrial processes. The primary and overall objective of this course is to provide a clear understanding of PLC programming, ladder logic instructions, and basic automation.

***** All registered participants will be given certificates.**

Deadline	:	Dec 15, 2022*	<p align="center">Course Contents:</p> <ul style="list-style-type: none"> ✓ Introduction to Industrial Automation, ✓ Basics of PLC and Hardware ✓ PLC Ladder diagram design ✓ Interfacing PC-PLC ✓ Interactive projects ✓ Industrial Tour **
Fee	:	BDT 4000, 3000(students) BDT 7000(Professionals)	
Duration	:	4 Weeks	
No. of Participants (in each batch)	:	30(maximum)	

Inauguration Ceremony: IET, CUET, Time: 10.00am, Dec 16, 2022*

Theory and Practical classes will be conducted in IET Research Lab, CUET

For Registration

- Interested participants are requested to submit the online registration form (available at: <https://www.cuet.ac.bd/institute/iet/downloads>) via email to director iet@cueta.ac.bd or to the IET office.
- Collect the copy of the bank receipt (blank) from IET office and pay the registration fee through the Sonali Bank account. The account details are
- Cash / Pay order / Bank Draft**

A/C Name:
CUET BRTC Test Fund
A/C number: 34116886
Sonali Bank, CUET Branch, Chittagong, Bangladesh.
- Submit the filled-up form with all the necessary documents to the IET, CUET within the deadline.
